

RENTAL BUILDINGS, BARNES, & RV PARK

Saline County Expo Center, a hub of diverse events, has hosted an array of activities, including circuses, monster truck shows, concerts, and livestock shows showcasing rabbits, poultry, cattle, horses, donkeys, goats, sheep, and hogs. The Expo Center is also preferred for weddings, receptions, meetings, fundraisers, vendor fairs, and 4H events. We take pride in hosting the Tri-Rivers County Fair.

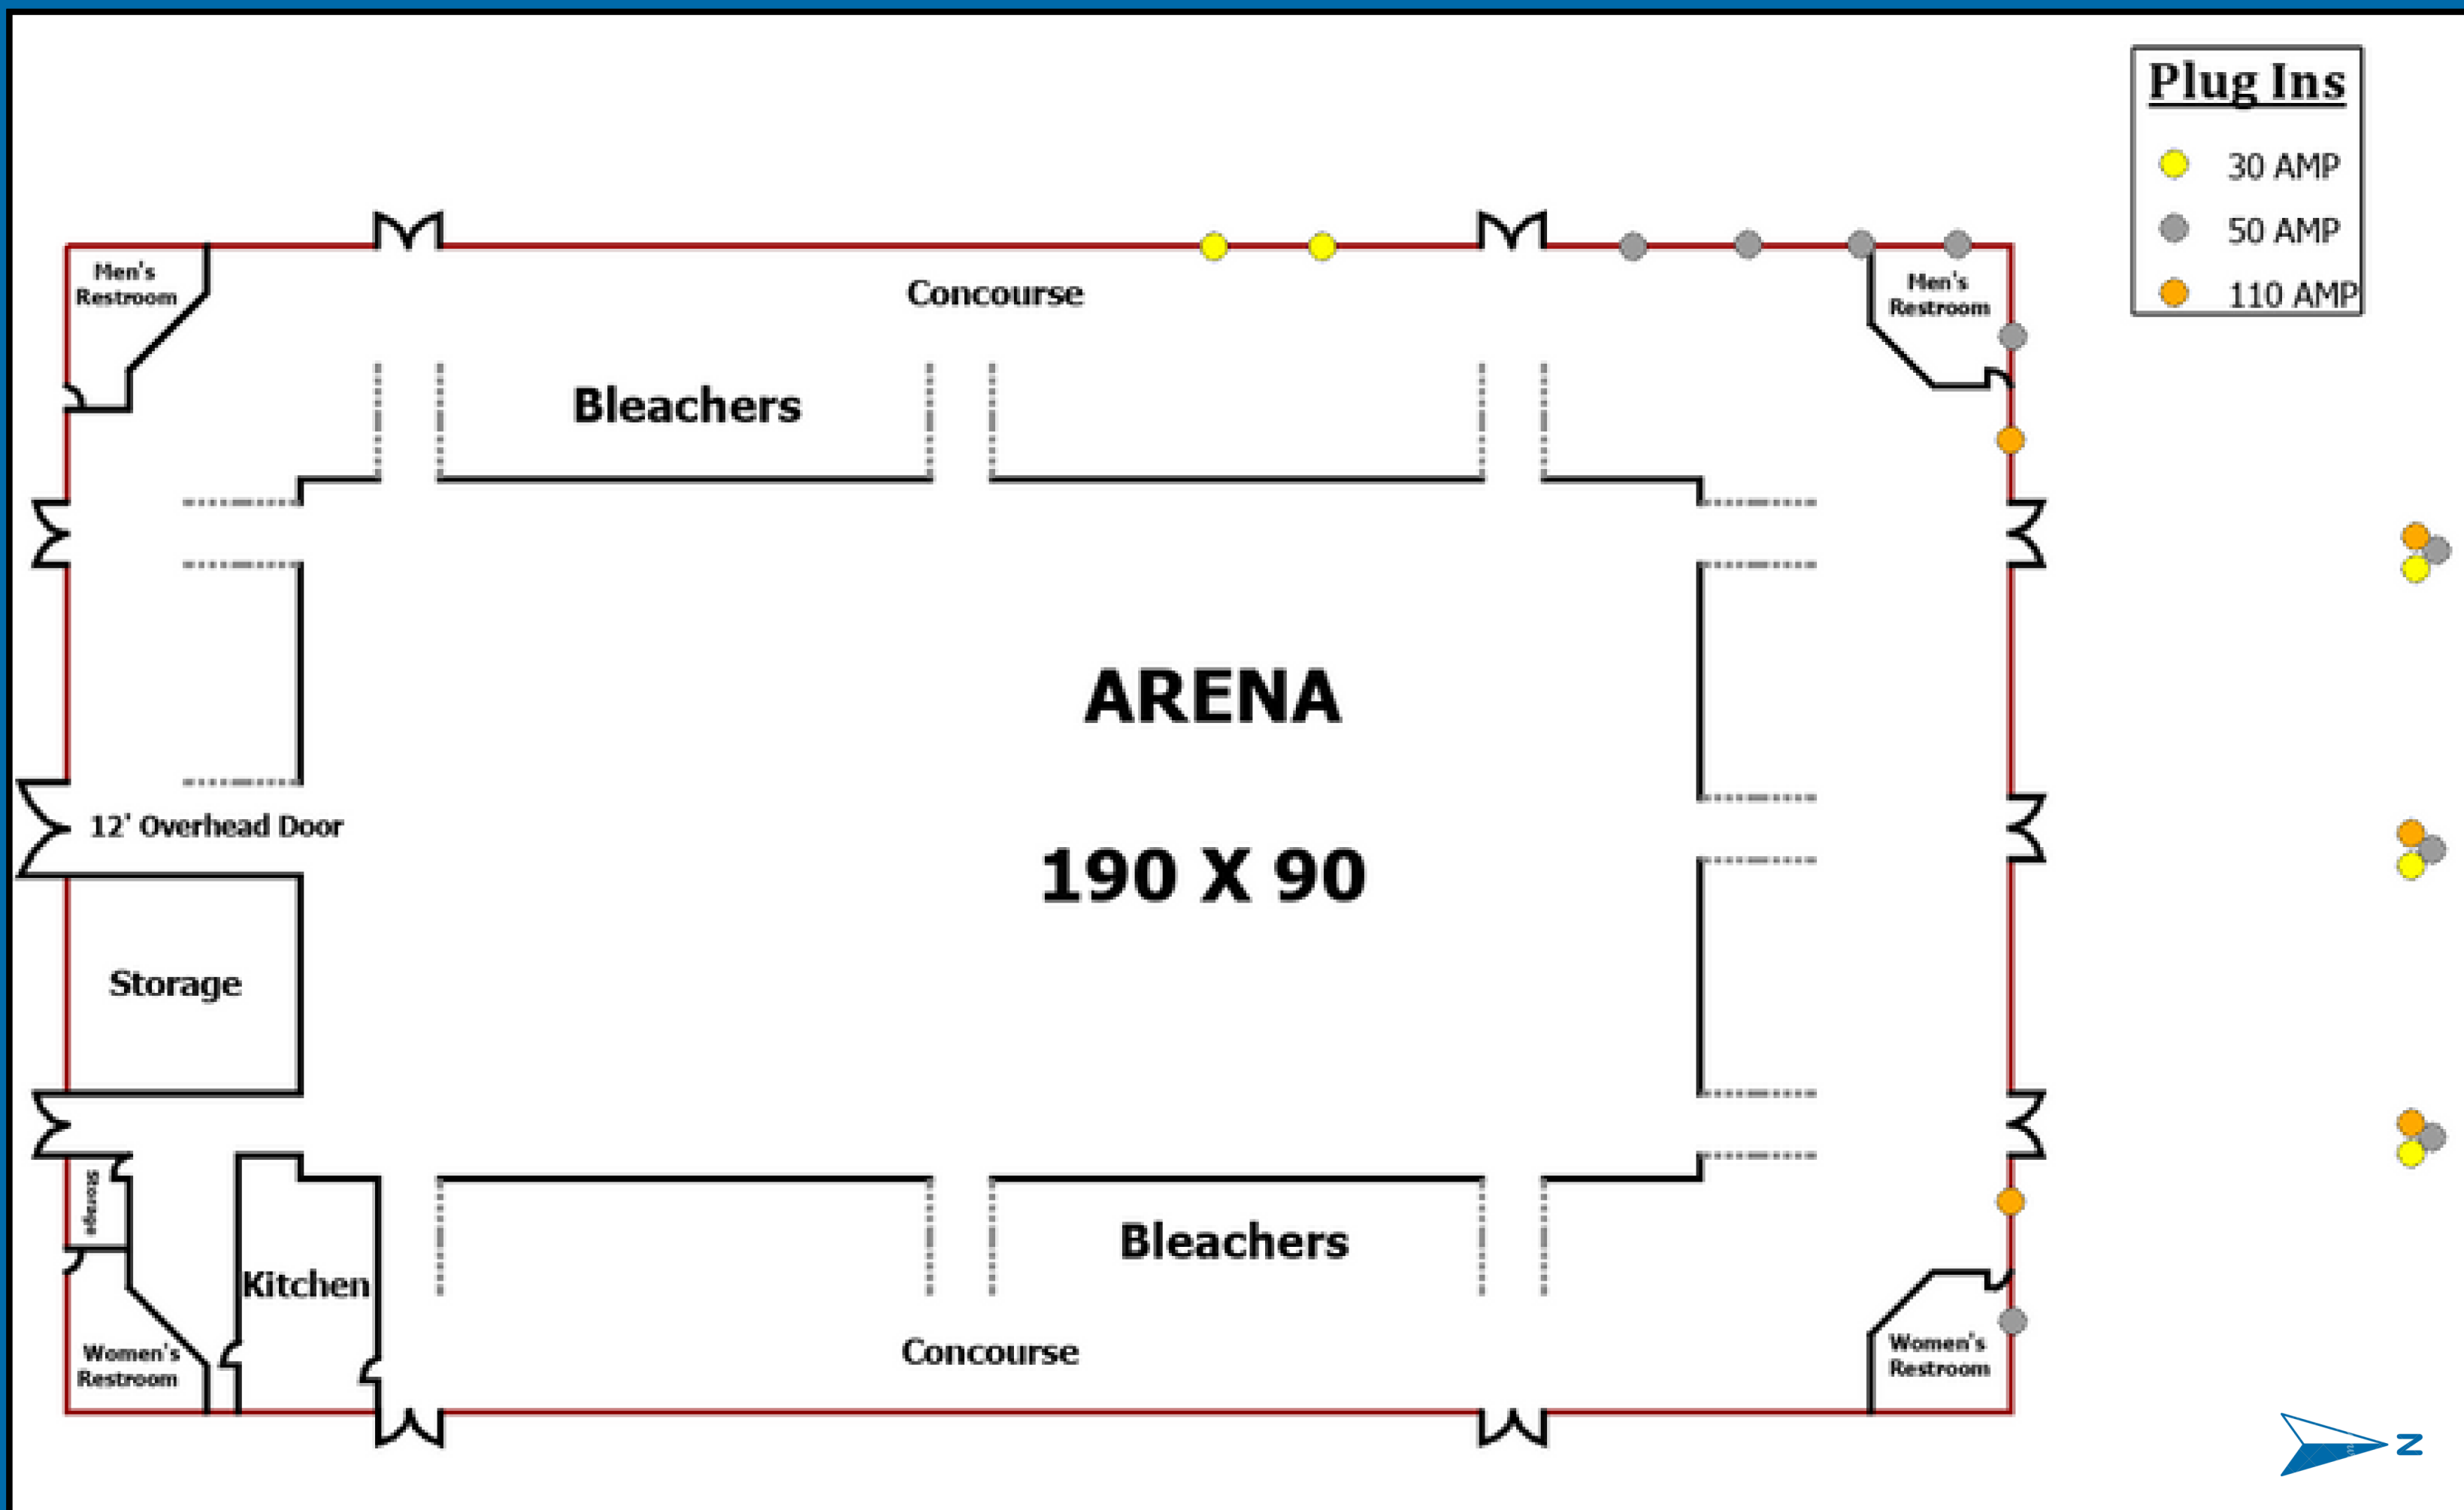

Our dedicated staff provides end-to-end services to ensure your event is successful. We set up tables and chairs, maintain cleanliness, and oversee tasks like unlocking doors, restroom maintenance, trash disposal, and handling spills. For your peace of mind, we'll take a final walk around with you before locking up.
