

# FEEDING HOMEBOUND SENIORS AND THEIR PET COMPANIONS

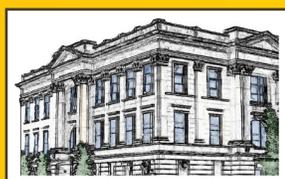

Salina Meals On Wheels is looking for community partners and volunteers to support Salina homebound seniors.

Saline County Department of Senior Services, Salina Meals On Wheels program is now providing pet food and healthcare for participants of the Meals On Wheels program.

Homebound seniors often don't have friends and family and have limited resources to obtain food. The food they do have is frequently shared with their pet. Unfortunately, they will give their pet up to ensure their health. We want to enable seniors to stay in their homes as long as they are able to with their pet companion.

If you know of a homebound senior that would benefit from a hot meal along with their pet companion, please have them contact Senior Services.
